

The logo for Alexandria Palace Studios is centered at the top of the image. It features the word "ALEXANDRA" in a white, serif font, arched over a dark rectangular box. Inside the box, the word "PALACE" is written in a smaller, white, sans-serif font. The background of the entire image is a vibrant purple and blue stage setting with a large central screen displaying a bright, abstract light pattern. The ceiling is filled with a complex network of metal trusses and stage lights, some of which are illuminated with bright yellow light, creating a dramatic atmosphere.
